Vision Statement, Strap line and School Aims Policy

Vision Statement: 'I am proud of who I am and what I have achieved today'.

Strap Line: 'Rejoice in thy youth'.

Aims: These underpin both the strap line and vision statement. The aims are how we will achieve our vision. These will be addressed within the School Three Year Strategy, One Year School Improvement Plan (SIP) and the Department and Pastoral Improvement Plans (DIP/PIP)

We want everyone in the Longdean Community to be able to:

1. Enjoy learning and have fun.
2. Feel safe and secure in a learning environment of which they are proud.
3. Be inspired, challenged and motivated.
4. Support and value each other and share in and celebrate everyone's success.
5. Develop independence and confidence to enable them to make the most of their abilities.
6. Develop high levels of literacy and numeracy to support future economic well-being.
7. Develop the ability to make informed choices about lifestyle.
8. Raise awareness of and celebrate all cultures in the school and the local community.
9. Understand the part they play in the Local, National and Global community.
